14 Thompson St, Scotland Island

## Peace, Privacy and Water Views

Beautifully presented, this north easterly facing home is perfectly configured for family living combining both style and space.

With views of sparkling Pittwater through tall gum trees from every room, this architecturally designed split level home has an abundance of natural light as well as wrap around balconies that capture sun throughout the day.

The light and airy open plan lower level with bamboo flooring has wide double glazed windows and doors opening onto a large entertaining deck which also incorporates a fabulous spa, providing a relaxing place to unwind and soak up the view.

The spacious gourmet kitchen with stunning stainless steel finishes flows off the lounge area, and boasts a double oven and a large walk in pantry.

The upper level is carpeted and configured as three bedrooms, the main with a walk in wardrobe while the fourth bedroom can be used as either a storage room or child's play room. The stylish bathroom, together with ample storage, is also located on this wide mezzanine level.

A separate garden studio is perfect as a home office, teenager retreat or an artist's workshop.

Features such as reverse cycle air conditioning, sandstone stairways, landscaped and native bushland gardens make this the perfect home for year round comfort, combined with a wonderful lifestyle opportunity for the whole family.
